## UNDERSTANDING AND RESPONDING TO SEXUAL ASSAULT

This full-day introductory workshop is for professionals working in the human services field, who may be in contact with individuals, children and families affected by sexual assault

This training would be suitable as an introduction to this field for case managers, counsellors/therapists, allied health workers, community workers, educators, or new graduates/employees in the sector

Topics explored include :

- **What is sexual assault?**
- **What are the impacts of childhood and adult sexual assault?**
- **Responding to disclosures of sexual assault through a trauma lens**
- **The 'ripple effect' of sexual assault**
- **GCASA services**

9:30am-4:30pm

20th April, Morwell

\$150
