CEO
Email : hr@gippscasa.org

CLOSING DATE: Wednesday 9 December, 2020

If you have any further queries regarding this position, please contact:

Kate Neocleous, Clinical Manager on 5134 3922.

1. The Agency

Gippsland Centre against Sexual Assault (GCASA) is funded by the Department of Health and Human Services, Victoria. It is managed by an incorporated community-based Board of Governance and is funded to provide comprehensive sexual assault and prevention services across the Gippsland region (Health Region 5), which extends from Bunyip River to the NSW border at Mallacoota, and from the Great Divide to the sea, including Phillip Island. The primary offices are in Morwell, Warragul and in Bairnsdale. Outreach sessions are offered in Orbost, Sale, Leongatha and partnering with Headspace in Wonthaggi and in Bairnsdale and Wellington.

The Agency operates within a framework that actively supports the protection of the rights, integrity, autonomy and dignity of women, men and children who have experienced recent and/or non recent sexual assault. GCASA works within a trauma informed care approach and all staff are supported to work within this framework.

GCASA also provides support to their families, carers and other support networks that may include information, resources, counselling, and group work. The Agency provides consultancy and professional training for other workers to increase professional knowledge about the incidence, causes and effects of sexual assault, and to develop skills in responding sensitively to people's needs. The Agency provides assessment and treatment for children demonstrating problematic sexual behaviour and to young people demonstrating harmful sexual behaviour.

GCASA works within the community to reduce the incidence of sexual assault, to increase awareness and to build the capacity of community members to appropriately respond. Community development activities that promote social inclusion within and across marginalised groups are an integral part of the organisation's mandate.

GCASA is co-located in a Multidisciplinary Centre (MDC) with its partners, Victoria Police Sexual Offence & Child Abuse Investigation Team (SOCIT) and a smaller Department of Health and Human Services - Child Protection (SAIT) team. MDCs are funded by the Victorian Government, with existing MDCs already in Mildura, Seaford, Geelong, Dandenong, and Bendigo.

SOCIT investigate reports of sexual assault against adults, young people, and children. SOCIT and the Child Protection work together to protect the community from harm, ensure child safety, and refer people to appropriate support services.

2. The Role of the CEO

The CEO has responsibility for co-ordination of the work of the Agency, and oversees, with Board direction, the overall operations. All Agency staff members are accountable to the CEO.

3. Your Agency Relationships

Report relationship

This position is accountable through a Clinical Supervisor, Clinical Manager / CEO to the Board of Governance, for conduct of all work, through supervision, periodic reviews, Agency meetings and other activities.

Relationships with other staff

Develop and maintain co-operative working relationships with all staff of the Agency. Share resources and knowledge seek assistance when needed and be open to different perspectives.

Organisational Culture

Every employee authentically demonstrates GCASA values of Respect, Dignity, Integrity and Empowerment in their daily behaviours and interactions within their workplace and in the community. GCASA is an organisation committed to the continual learning and development of our employees. Our best practice models are dynamic; evolving and informed in line with developments in practice and research, and our organisational values. The GCASA Board of Governance and the leadership team support employees in their personal and professional development. All GCASA staff take responsibility for their actions within the workplace.

Internal and external Stakeholders

GCASA is co located across a range of locations. Our external relationships extend to our partners, who include Victoria Police Sexual Offence & Human Services - Child Protection (CP) team. This role will also liaise with family violence services, mental health, schools, and other community and allied health services. It is the expectation that all GCASA staff members actively established and develop relationships with our key stakeholders to improve outcomes for our clients.

4. Counsellor/Advocate Role

This role will work with children, young people and their families and adults referred to our Sexual Assault Support Services, this includes our SABTS Services.

Duties

1. Conduct initial risk assessment and ongoing risk management in accordance with MARAM framework
2. Conduct initial clinical assessments, case formulations, recommendations and intervention planning, case review and closure processes.

3. Provide evidence based clinical intervention to children and young people and their families who may present with problematic sexualised behaviour and to young people with harmful sexualised behaviour.
4. Provide evidence based, trauma informed counselling on an individual and group basis to children, young people and adults reporting recent and/or non recent sexual assault to support their recovery.
5. Provide secondary consultation to referring agencies.
6. Provide Crisis Care Response for those seeking support during the day as referred by SOCIT and or by self-referral as required.
7. Care Coordination and advocacy on behalf of clients as appropriate to strengthen community connections and assist with understanding of rights.
8. Maintain confidential accurate and up to date client record keeping in line with GCASA policy and client statistical recording to meet legal, ethical, and organisational expectations.
9. Model positive emotional intelligence and interpersonal communication skills to engage clients, maintain effective relationships with stakeholders and advocate in the client's best interests within the service system.
10. With appropriate consent, provide reports regarding client progress as requested by parents/carers, legal personnel, and other stakeholders.
11. Attend internal and external care team meetings to contribute to care coordination and service planning for the client.
12. Participate in regular internal clinical and line management supervision, peer support activities, and attend regular professional development in areas relevant to this role. Where required, seek consultation with specialist services.
13. Contribute to planning of GCASA's quality improvement work by participating in team meetings, service reviews, evaluations, and projects.
14. Participate in GCASA community development and community education activities as requested by the CEO/Clinical Manager.
15. Work from other office based and outreach locations including client places of residence as required.
16. Other duties as requested by the CEO or the CEO's delegate.

5. Key Selection Criteria

1. Degree level qualification or equivalent certification from a nationally accredited provider in social welfare, counselling, social work, family therapy, psychology, creative arts therapies, or community mental health nursing.
2. A minimum of 2 years recent trauma counselling experience working with children and their families with a comprehensive understanding of child developmental theory and experience counselling within a therapeutic setting, providing short to medium term intervention.
3. Knowledge related to the incidence and impact of sexual assault, as well as an understanding of the gender dynamics that support the occurrence of sexual assault.
4. Demonstrated understanding and application of theoretical frameworks underpinning trauma – informed counselling for children, young people, and adults, including feminist empowerment philosophy and social inclusion theory.
5. Possess well-developed case noting, administrative and time management skills, and the ability to multi-task and use a broad range of computer and IT skills.
6. Knowledge of the legislative requirements governing the collection and storage of personal information; client confidentiality and the protection of all GCASA clients.
7. Willingness to travel across our service areas and to Melbourne for professional development if relevant. Staff must hold a current Victorian driver's licence.
8. Provision of a current Fit4Work, National police check and a Working with Children's check.
9. Applicants must be able to work on a Wednesday and undertake professional development, staff supervision and team meetings.

6. Other

The successful applicant will be appointed for a six-month probationary period during which time, regular clinical and line management supervision is provided. At the conclusion of this period a performance review will be held with the Clinical Manager and Senior Clinician (Supervisor); after which, a decision will be made to continue employment as per contract or to cease employment with the Agency.
